Cured in eight weeks by the C

eratic Senstors are unanimously in favor of its adoption by the Senate. Caucuses have been held by the Senators of both parties on the subject, and it is probable that it will be settled today by a compromise of some sort. The recess is now looked on as a certainty.

for some reason the chairman of that

committee stated on Wednesday that the bill would not be reported until the mid die of Jansary.

Once more Mr. Cleveland has, to use a homely phrase, "put his foot in it." He has nomineted Leon Bailey as United Bailey as United Bailey as United Bailey is the man who made himself continued in this manner until I was eventeen years old, and one day it January. 1879, I read an account in the Tribune, of your Claretta Remen as I it described my case so exactly that I thought, as a last resort, to give them as No more obnexious man to the republicans could have been selected. Bailey is the man who made himself continued in this manner until I did get better I would have no centrel of them. The disease continued in this manner until I did get better I would have no centrel of them. The disease continued in this manner until I did get better I would have no centrel of them. The disease continued in this manner until I did get better I would have no centrel of them. The disease continued in this manner until I did get better I would have no centrel of them. The disease continued in this manner until I did get better I would have no centrel of them. The disease continued in this manner until I did get better I would have no centrel of them. The disease continued in this manner until I did get better I would have no centrel of them. The disease continued in this manner until I did get better I would have no centrel of them. The disease continued in this manner until I did get better I would have no centrel of them. The disease continued in this manner until I did get better I would have no centrel of them. The disease continued in this manner until I did get better I would have no centrel of them. The disease continued in this manner until I did get better I would have no centrel of them. The disease continued in this manner until I did get better I would have no centrel of them. The disease continued in this manner until I did get better I would have no centrel of them. The disease continued in this manner until I did g have left cattle looking a little rough | He has nominated Leon Bailey as Unitand has been of no immediate benefit to ed States Attorney for the district of In rison's orders. It would be expecting too much for Mr. Cleveland to include any hope of this man's confirmation by the senate. He will be rejected beyond the senate. He will be rejected beyond the shadowlof a doubt. Such men should never be allowed to hold any office under this government, no matter which

When the Legislative, Executive and Judicial appropriation bill was before house last Tuesday, Mr. Cummings, member from one of the New York city districts, and also a member fof the staff is of the New York Sun, offered an amend of the New York Sun, offered an amend Sides, and all Pain, inflamation and Sides, and all Pain, inflamation and Many Wilcox, where they got a fresh mount and continued the pursuit. Mr. Ohl is of the opinion that the robbers will be caught, as the three men after them have plenty of nerve and mean business.

In member from one of the New York city districts, and also a member of the staff of the New York Sun, offered an amend ment to strike out the clause to pay the expenses of the civil service commission. Outleast interesting and somewhat spicy Quite an interesting and somewhat spice tebate followed but when the vote wa taken only twenty-five members voted for the amendment. It must not be understood, however, that only twenty-five members of the house are opposed to the civil service commission. I am sat-tefied that four-fifths of the members of congress believe this civil service comnission to be one of the biggest humbugs of the age, and they are in a posi-tion to have ascertained the truth, but they have not yet decided upon what is the best method to get rid of it. Senator Stanford, the California mil-

lionaire, has retutned from Europe, and again occupies his seat in the senare with greatly improved health. Senator Beck has gone south in search of health Mr. Randall is still quite feeble and unable to fill his place in the house.

The Colonel and his Grandmother. Outside of his regula. place of busi-

ness, which consists of four targe rooms, bree of which are packed as full of goods as to be almost impassible, Co'. Durr has four large store rooms, two -Meyer street, one on Camp and one on Mesilla street filled to overflowing with all manner of wines, liquors, table salads and dainties. In one room alone he has not less than 150 tarrels of wines and liquors, all of which are to a greater or less extent duplicated in the other rooms. And without exaggeration there is hardly a brand of note in the country
